ATTENTION:

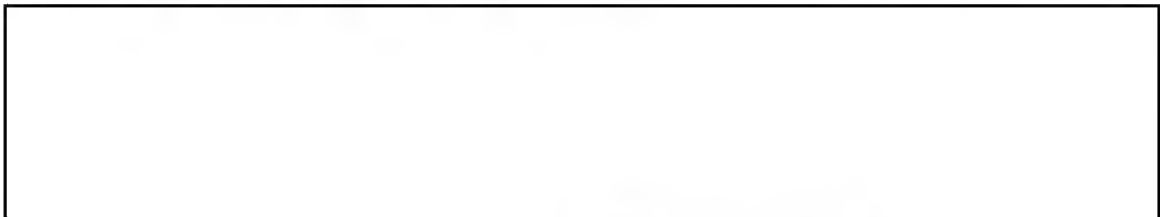

Gentlemen:

25X1A

This will acknowledge receipt of your letters S-20,110 dated 13 February 1961 and S-20,113 dated 13 February 1961, requesting authority to file patent applications on certain inventions conceived under Contract No. [redacted] on an unclassified basis since you believe no security problems are involved.

These inventions which cover Resonant Rings and Application thereof, an Automatic Frequency Control Device, and a Balanced Mixer have been reviewed with respect to their disclosure of any classified data. Your opinion that the inventions and the filing of patent applications therein present no security problems is concurred in. You are therefore authorized to file for patent applications on these inventions on an unclassified basis in accordance with Clause 16 of the Contract. In filing the applications, extreme care must be taken not to disclose any information which will tend to identify the configuration, its capabilities or the prime purchaser thereof.
